Dear Taxpayer,

I am pleased to inform you that the Township of Middletown, in cooperation with the Office of Governor Chris Christie, will be providing qualified property taxpayers with direct property tax relief through the newly reinstated Homestead Benefit Program this year.

Accordingly, please find your enclosed adjusted tax bill for the second quarter that reflects a reduction in your tax bill under this program. Please use this newly adjusted bill when paying your second quarter taxes before the statutory deadline of May 10, 2011.

If your taxes are being paid through a paying agent, such as a bank or mortgage company, they will have been directly notified of this change and they should apply any credits due.

Should you have any specific questions about the amount of your Homestead Rebate tax credit, please call the New Jersey Division of Taxation at 1-888-238-1233.

Very truly yours,

Anthony P. Fiore, Mayor  
Township of Middletown
